PADDLE BOARD & KAYAK STORAGE RACK

**RECLAIM YOUR VALUABLE DOCK SPACE**  
*The perfect solution for storing your paddle board or kayak dockside.*

### Convenient Storage

Simply rest the paddle board or kayak on the rack and fasten with the two easy-release securing straps, ensuring your craft is quickly accessible for your next adventure.

### Mounts Dockside with Ease

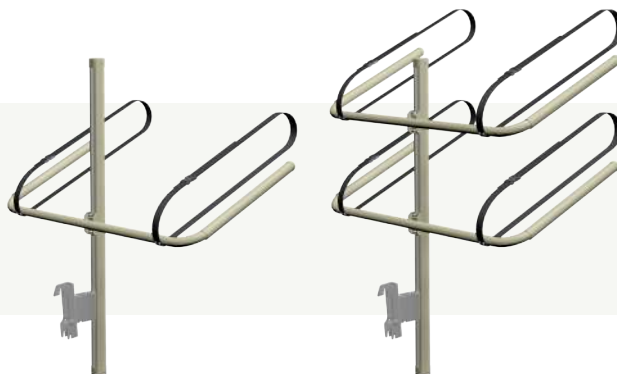

Easily installs on our Classic or ShoreBridge® dock, transforming it into a convenient waterfront storage space.

### Construction

Perfect for the marine environment, our sturdy aluminum platform ensures your craft rests safely above the water, while the non-marring poly material also protects against surface damage.

### Fits One Kayak or Two Paddle Boards

The storage rack is adjustable to accommodate a single kayak or two paddle boards.
